

Make a Splash at the Midnight Bash

The Aquatic Roundtable of Central Ohio invites you and your lifeguards to a party in celebration of your contributions to the safe operation of swimming programs. Bring your swim suits for an incredible, fun, well-organized, safe, "mind-blowing" celebration.

Our purpose is to thank lifeguards for the important work they do, to promote comradery, to facilitate staff retention, and foster lifeguard recruitment while sharing the diversity of our communities.

When

Sunday, July 24 from midnight to 2:00 am

(The event begins at midnight so that we can be sure your pool is closed for the day and your staff will be available to join us.)

Where

The Ohio State University
McCorkle Aquatic Pavilion
1847 Neil Avenue
Columbus, OH 43210

To Participate

The event is free. However, advanced reservations are required. To begin the simple process, your adult pool manager (or lifeguard supervisor) should email the following information to KurtCarmen@AquaticCouncil.com:

1. Your name and work title
2. The name and complete mailing address of your facility
3. A contact telephone number (with voicemail capability)
4. A contact email address
5. The number of lifeguards you employ

What's Next

When we receive notice of your interest, we will send you more details of the event and provide you with the simple process for registering your lifeguard staff to attend.

We are happy to provide this opportunity to reward your staff for a job well done. We hope you choose to join us for this unique celebration. For more information about the event, visit www.midnightbash.info.
