

## SEWAGE REPAIR/REPLACEMENT EVALUATION

---

### INSTRUCTIONS AND APPLICATION FORM

<b>Sewage Repair/Replacement Application Fee:</b>	<b>No charge</b>
---	------------------

#### **Read All Before Submitting**

- The Health Department staff is available for free consultative services to homeowners who are experiencing problems with their existing sewage treatment systems upon receipt of this evaluation form. If multiple evaluations are required, a \$60 fee will be assessed for each.
- A soil evaluation is required for all new and replacement septic systems installed. A soil evaluation may also be required for any substantial soil absorption additions. A list of Certified Soil Scientists is available at the Health Department.
- The 2025 permit fee for a new or replacement septic system is \$569.00. This includes the Operation permit for the first year. (Please see O/M pamphlet for additional information about the Operation permit.)
- The 2025 permit fee for a septic system alteration is \$380.00. This includes the Operation permit for the first year. Please see O/M pamphlet for additional information about the Operation permit.

#### **Handouts available at the Health Department:**

- Septic installation guidance documents
- Information on care and maintenance of your septic system
- List of Registered Septic Installers
- List of Registered Septic Pumpers
- List of Registered Service Providers
- List of System Designers
- List of Certified Soil Scientists

*The Health Department may not recommend and does not guarantee the competency of those individuals on the list. If you know of someone who wishes to be included on the list, let us know.*

Phone #: \_\_\_\_\_ Fax #: \_\_\_\_\_

Email Address: \_\_\_\_\_

Is the home occupied or vacant? \_\_\_\_\_ If vacant, how long? \_\_\_\_\_

When was the home built? \_\_\_\_\_ Number of bedrooms: \_\_\_\_\_

Number and type of wells: \_\_\_\_\_ Number of Cisterns: \_\_\_\_\_

Briefly explain why you are requesting this evaluation: \_\_\_\_\_

\_\_\_\_\_

The sanitarian's opinion of the system may be rendered without knowledge of some of the individual parts of the home sewage treatment and water systems and applies only to the date and time the opinion is made. Therefore, the opinion does not guarantee the future performance of these systems.

The owner/applicant agrees to the requirements of the special service inspection and understands that upgrades may be required if deemed appropriate by the Health Department. The applicant also understands that the system will be placed under the Operational Permitting Program of the Darke County Health Department. Please see Operational Permit Pamphlet for additional information regarding this program.
