Additional Requirements

- Septage shall be land applied in accordance with the following:
 - Septage shall not be permitted to pool or flow on the surface of the ground.
 - Septage must not be applied to soils unless the soil has dried adequately from previous application or rainfall so that saturated soil conditions or ponding does not occur.
 - Septage shall not be applied by spray irrigation or other methods that will cause aerosols to drift from application site.
 - Septage shall be applied in accordance with the vector attraction reduction requirements and the pathogen reduction requirements of 40 C.F.R. 503.
- The soil shall be tested every two years for phosphorus and shall not exceed the recommended levels for agronomic loading rates.
- The amount of septage applied to the site shall not exceed the annual nitrogen application rate required for the type of vegetation on the site.
- Trash shall be screened and removed from the septage prior to land application and the trash shall be dewatered prior to disposal as solid waste
- Sewage must be applied and injected as to help with vector and rodent control.
- Records shall be maintained by the septage hauler for at least five years to demonstrate compliance with Ohio Administrative Code section 3701-29-20 and the requirements of 40 C.F.R. 503.

Applicant/ Site Operator:

I, _____, _____
(Name) (Title)

understand that Health Department approval of this site for land application of domestic sewage does not constitute an assurance or guarantee that the land would be in compliance with Chapter 503 of the Code of Federal Regulations or other applicable rules and regulations of other enforcing agencies or departments.

I agree to submit records of land application of domestic sewage as requested by the Health Department to determine compliance with applicable Health District rules and regulations regarding septic land application.

I understand that I am responsible for operating the site described in the legal description in accordance with the Sewage Treatment Systems Rules Section 3701-29-20. I also certify under penalty of law that all information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine, imprisonment for violations, revocation of this registration, and disapproval of the proposed site for land application of domestic sewage.
